

STACKING UP THE BENEFITS OF

EXACTASTACK®

When it comes to self-stacking spiral conveyors, precision matters. ExactaStack® and ExactaStack® XE offer affordable, high-quality belt solutions designed to fit seamlessly into your system—no modifications needed.

WHY BUY EXACTASTACK?

- No mandatory service contract
- Retrofittable
- Technical support available from the experts who invented spiral belting systems
- Ashworth carries all relevant parts

EXACTASTACK

The cost-effective choice for standard belt stackers.

EXACTASTACK XE

A wider option, perfect for systems needing that extra quarter-inch.
